EXPERIENCE

SOCC - (SOUNDS OF COLORADO COLLEGE)

Colorado College, CO

Events Assistant

September 2025 - Present Day

- Coordinated set ups, cleaning, organization, and promotion for music events, student band competitions, and zine releases at Colorado College
 - Experienced in collaborating with teams across the board, pitching ideas, and discovering new talent
 - Participated in five monthly meetings with radio station, blog, social media, and events teams to develop event organization and activities

PACKARD DARKROOM

Colorado College, CO

Monitor

August 2025 - September 2025

- Navigated the darkroom ensuring chemical safety and its proper disposal, ratio checking, and proper black-and-white film and print development
 - Demonstrated the ability to assist students, manage equipment maintenance, and ensure a clean, safe, and productive environment in the classroom
 - Worked 3 times a week for 2 hours each shift

PACKARD VISUAL RESOURCES CENTER

Colorado College, CO

Assistant

January 2025 - Present Day

- Offered artwork (digital) documentation support to faculty, staff, and students by scanning, editing, and uploading them onto the center's image database using the creative cloud
 - Skilled with using large format scanners and traditional film scanners, as well as handling Art books with care, communicating with others, working independently, and paying attention to detail
 - Worked 10-15 hours a week
- Photographed, edited, and uploaded student art exhibitions on Wix: CC Creatives - Student Artwork
 - Succeeded in assessing the quality of each image/photograph, adapting to change, and working quickly and efficiently
 - Photographed for 1 hour and edited for 2 hours for each exhibition
